Our lives are all directed toward a common goal, to the accomplishment and perfection which are epitomized in a fine piece of music. As students of THS, we are musicians learning the rhythm, harmony, and tempo which will help us to lead good and useful lives. We learn rhythm in combining academics with extra-curricular activities. We learn

harmony in our student — faculty relationships. We learn tempo in our relationships with fellow students. We are also acquiring the basic knowledge, undying patience, and magnificent powers of imagination which will guide us, as they do great musicians, toward our goal.

The pages which follow present the essence of musical harmony, rhythm, and tempo at THS. The 1965 Journal is a prelude to the symphony yet to be written on the accomplishments of our class of 1965.

We, the Class of 1965,
dedicate our

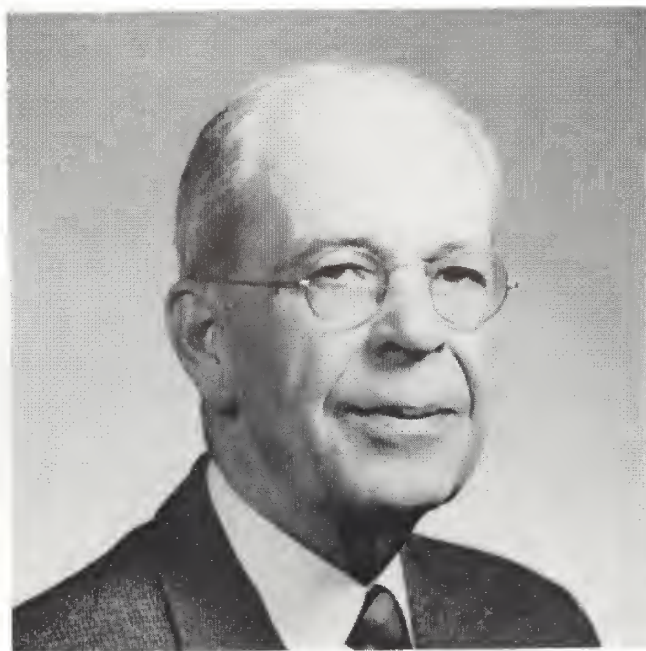

MISS ROSANNA REILLY

who has brought the joys of music into our lives during our years in the Taunton public school system. She has dedicated her life to the youth of our city, and, as Supervisor of Music, has helped to maintain the fine musical reputation for which our city is known. Her sparkling personality has captivated us, and her warmth and sincerity have won our hearts.

We thank her for teaching us to love, appreciate, and enjoy music, for enriching our years at Taunton High School, and most of all, for being the wonderful person she is.

gratefully and affectionately
Journal to . . .

MR. ROBERT H. PARK

who, as director of our band for the last four decades, has drawn considerable acclaim to our school and city by consistently producing outstanding bands. Since 1924, when he first organized the band, he has been building a musical reputation for Taunton High that is the dream of every school. His quiet, dignified, friendly manner has endeared him to us . . . his wise counsel has guided hundreds.

Words cannot express our pride in him, yet we hope that this dedication will express our gratitude for forty years of patience, self-sacrifice, and devotion.

To the Class of 1965 . . .

WILLIAM DESTEFANO
Headmaster

Education: Dartmouth College, A.B.; Harvard University, M.Ed.

My position as headmaster of Taunton High School has brought me many privileges in serving the young ladies and gentlemen who attend our school. Writing a few lines for your yearbook is one of those pleasant privileges.

Carry with you these things: strength that comes from courage, belief in Our American way of life, and the determination to teach through good example in a good life. Doing one's duty fearlessly is evidence of courage. A courageous person refuses to do what he knows to be wrong. A coward lacks the courage to do what he knows to be right.

As you leave high school, diploma in hand, you take with you my personal best wishes for much success in the worthwhile things in life. Success comes surely to those who have courage and to those who turn their talents to some vocation where there is an awareness that the thing being done is essential. Good luck.

WILLIAM DE STEFANO

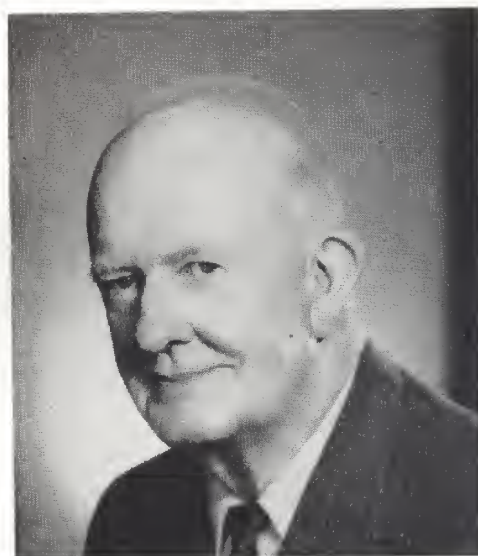

We Honor . . .

Miss Mary P. McMahon will be long-remembered by her former students for her understanding of and affection for young people. Aside from her offices as Dean of Girls and Latin teacher, Miss McMahon was sponsor of both the Student Council and Girls' League. Her role in both of these organizations earned her the love and respect of her students.

Students and faculty wish her good health and many years of happiness in her retirement.

As headmaster, assistant headmaster, teacher, and athletic coach, Mr. David Mullen was for many years a vital part of Taunton High School. His understanding, patience, and advice helped many students with their current problems and future careers.

Students and faculty members hope that he will never lose his zest for service and living! We wish him the very best life offers.

In her years at Taunton High School, Mrs. Hilda R. Skwarlo endeared herself to all who knew her. As an English teacher, she instilled in her pupils a love of the language and an appreciation of its literature. As a person, she earned the respect and affection of teachers and pupils.

Students and faculty wish her God-speed in her retirement.

Without competent direction and understanding of the score, even the most beautiful piece of music may sound discordant . . . Our faculty directs our progress on our journey toward the finale of our high school symphony.

"Never use a split infinitive . . . Spell *principle* and *principal* correctly . . . Never use like as a conjunction! . . . Develop your topic sentence with details or examples . . . Be specific . . . What are the elements of a short story? . . . Never use was when!"

These directions and admonitions are familiar to all students in the English classes of THS. Every student who leaves Taunton High School has learned something of the great literature of the English language, and has been taught the basic fundamentals of grammar and word usage. From conjugating "to be" and "to lie", to writing a satire or analyzing some obscure passage from an old English poem, the student comes in contact with practically every facet of the English language.

The teachers in the English Department do more than just teach grammar and literature. Through interesting reading assignments and discussions in class, they strive to stimulate thought and originality. They provoke inquisitiveness and creativity and help students to think and act as individuals.

From analyzing a homologous compound, to calculating the distance to the nearest star, or exploring the world in a drop of water, students enrolled in one of the many courses offered by the THS Science Department take a step forward in understanding the world we live in. Aside from the standard courses, three new courses have been introduced in the past two years: PSSC Physics, BSC Biology, and CBA Chemistry. Designed with the scientifically-inclined student in mind, these courses should stimulate thought and curiosity.

"Omnēs Gaulia divisa est in partes trēs." Any of our Latin scholars could tell you what this means. After two to four years of fighting with the Gauls, Greeks, and other barbarians, the Latin student's knowledge of primitive warfare is practically unlimited.

From vicariously strolling down the Champs-Élysées, to studying the worlds of Charlemagne, Joan of Arc, and Louis XIV, or learning how to conjugate "avoir" in fourteen tenses, students taking French as their foreign language choice are exposed to practically every facet of France — its language, customs, and history — and gain an appreciation of French culture.

"¿Habla usted español?" Any Spanish student taking advantage of the facilities offered by our fine language lab can answer this question. Renovated last summer, the lab enables students to improve their conversational ability. Students selecting Spanish as their foreign language choice not only learn the basic grammar skills, but also study Spanish history, literature, and culture.

"What were the three political parties in force in 1900? Who was behind the plot to assassinate President Lincoln? What is anarchy? Communism in our modern world . . ."

Any student enrolled in one of the four courses offered by the Social Studies Department can talk at length on any of these topics. Through its courses in Civics, World History, American History, and Problems of Democracy, the Social Studies Department attempts to achieve its two main goals: to aid pupils in acquiring an understanding of the social groups in which they live, and to develop within the pupils a knowledge and acceptance of the rights and responsibilities of individual citizens in a democracy.

Students enrolled in a social studies course participate in a wide range of activities. From taking part in the Old Colony Historical Hall Program, to Student-City Government Day and the Memorial Day Program, these students play an important part in school citizenship. This year five students taking Problems of Democracy were selected to take part in the Student-Exchange Program with Dennis-Yarnouth High School. Through lively classroom discussions and activities such as these, students taking advantage of our Social Studies program can become thoroughly acquainted with our country and its government.

Business is playing an ever-increasing role in our complex world. The Business Education Department at THS prepares students to enter the business world either directly after graduation, or after further schooling in a specific field. Through typing, stenography, bookkeeping, office practice, and various other subjects, students gain knowledge that will be useful to them for many years to come.

HOME ECONOMICS DEPARTMENT

Thanks to the delightful aromas filtering from the Home Economics kitchens, walking through the lower corridors is always a pleasant experience. Cooking is not the only skill taught by the department, though. Here students may learn everything from sewing to menu planning to income budgeting. MECHANICAL DRAWING

The Mechanical Drawing instructors teach the boys how to draw in detail as many views of an object as is necessary to determine its exact shape and size. They begin with minor objects of simple shape, and progress to the drawing and interpreting of blueprints. Also taught is block lettering, which, accompanying the complex drawings, plays an important part in the careers of our future draftsmen and engineers.

MANUAL TRAINING

In the Manual Training classes, the boys are taught the proper handling and use of tools in carpentry. They practice the shaping and refinishing of wood, and spend many hours of patient work in making various objects of artistic and practical value. In addition to the educational projects, the boys often make repairs in the school or add important conveniences, such as bookcases, stands, and shelves.

Mr. Nickerson admires the handwork of his freshmen carpenters.

At almost any time during the day our gym echoes with enthusiastic shouts and the shrill tweet of whistles. Here both boys and girls learn the fundamental skills for a wide variety of activities, including basketball, volleyball, and gymnastics.

Miss Farley tells her classes, "Gym is not a play period; it is a learning experience." Those who are interested in particular sports may try out for the varsity teams, which participate in interscholastic competition.

In Memoriam

Kathleen Lopez

1947-1964

Quiet and sincere, Kathleen left a lasting impression in the hearts of all. Both students and teachers liked and respected Kathy for her courteous and genial manner, her warmth and friendliness.

*"She passed away like morning dew
Before the sun was high;
So brief her time, she scarcely knew
The meaning of a sigh."*

Row 3: Susan Higginbotham; Margaret Cajdasz; Diana Furmanik; James Cavanagh; Marcia Taylor; Martha Goldrick; Karen MacGlashing.

Although the National Honor Society is one of the smallest organizations at THS, membership in it is highly coveted. Chosen for good character, high scholastic ability, leadership, and service, members strive to inculcate these qualities in the entire student body as well as among themselves.

As members of this society, junior candidates must maintain an average of not less than 89.5%, while seniors must keep an average of not less than 87.5%.

This year's officers include Roberta Newland as president, Mary Morris as vice-president, Blanche Bilodeau as secretary, and Valerie Mattos as treasurer. Sponsors for the organization are Miss Helen Dykas and Miss Anna Fenton.

Just as a piece of music is not complete without counterpoint, so a school is not complete without its counterpoint — the underclassmen.

UNDERCLASSMEN

JUNIOR CLASS

JUNIOR CLASS OFFICERS

Seated, left to right: Ronald Drapeau, treasurer; Michael DelSolio, president; Sharon Lima, vice-president; (absent: Bruce Crossman, secretary). Standing, left to right: Mr.

Thomas Sherry, Mrs. Marjorie Shing, Mr. Richard McMorrow, sponsors.

This year, juniors have enjoyed the privileges of being upperclassmen — holding their first prom, being elected officers in many clubs, putting out the “*Tauntonian*” in February and taking College Boards and Merits.

On December 19, the junior class sponsored their successful dance, “Winter Escapade,” under the direction of their sponsors: Mrs. Marjorie Shing, Mr. Richard McMorrow, and Mr. Thomas Sherry, and their class officers: Michael Del Solio, president; Sharon Lima, vice-president; Bruce Crossman, secretary; and Ronald Drapeau, treasurer.

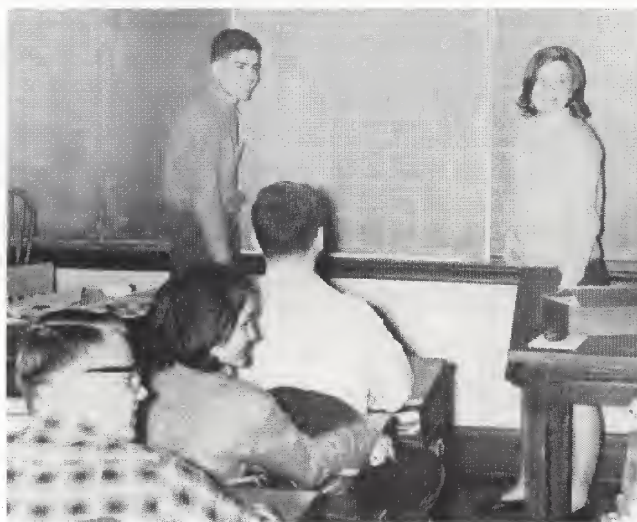

“Some Enchanted Evening,” this year’s junior prom, was held on May seventh at the Cotillion Ballroom. Everyone at the prom agreed that the two years of planning were well worth the effort, for the prom was the highlight of the year.

The juniors are looking forward to an exciting senior year. With classes held four times a week and rotated daily, some members of the forthcoming senior class may find themselves as confused and puzzled as the incoming freshmen!

JUNIOR CLASS

*EX juniors plan ahead
for next year's Journal.*

*"But I thought the curve
was on the bottom, Miss
Knox," insists Bonnie.*

*CBA is designed to
make you think.*

SOPHOMORE CLASS

SOPHOMORE CLASS OFFICERS

Seated, left to right: Scott Chausse, student council; Kathy Cornell, treasurer; Thomas Reilly, president; Deborah Craven, vice-president; Sheila Bliss, secretary;

Joanne Austin, student council. Standing, left to right: Mrs. Bedonna Ashapa, Mrs. Josephine Coyle, Mr. Richard Januse, sponsors.

The sophomores have now reached the midpoint of their high school years. Behind them are almost two years of hard work and fond memories. They have passed the uncertain, first days of high school and are on their way to becoming the citizens and leaders of tomorrow.

These underclassmen have shown themselves to be worthy of the responsibilities they will be given in the next two years. Under the leadership of their class officers, Thomas Reilly, president; Deborah Craven, vice-president; Kathy Cornell, treasurer; and Sheila Bliss, secretary; they have been successful in athletics and extra-curricular activities as well as in their classrooms. One of their profitable activities was their dance "Hernando's Hide-a-way" which was

directed by their sponsors: Mrs. Bedonna Ashapa, Mrs. Josephine Coyle, and Mr. Richard Januse.

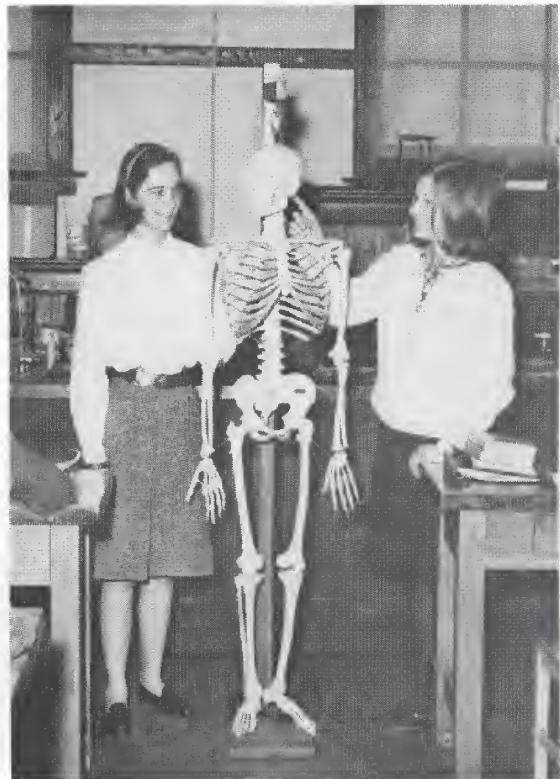

Taunton High School can be very proud of its sophomore class scholastically. Some of the most impressive exhibits in this year's Science Fair were the work of members of the class of 1967.

We can hope that these young people will take full advantage of their potentials in the next two years, and that they will continue to progress towards whatever goal they seek. America will soon be in the hands of today's youth, and she will remain a world power only under the intelligent and strong leadership of her citizens. Good luck, Sophomores, and keep up the good work!

SOPHOMORE CLASS

Sophomores sponsor their first dance "Hernando's Hideaway".

Linda pleads for a Thanksgiving victory.

Mr. George finds one of his student's proofs amusing.

FRESHMAN CLASS

FRESHMAN CLASS OFFICERS

Seated, left to right: Diane Nolette, treasurer; Lynwood Murray, president; Jonathan Gutman, vice-president; Judith Hickey, secretary.

Standing: Cheryl Howen, student council; Miss Wilma Bowers, sponsor; Mr. Louis Gilchrist, sponsor; Karen Harrison, student council.

"Room 315? Let's see, it should be right between 314 and 316! What's the matter with this little orange book!"

Freshmen now look back on their first days at Taunton High School with amazement. How could anyone have expected 114 to be under 214, or 220 above 120! How could anyone believe the traffic guards' directions for finding a small green elevator?

Although the freshmen were restricted from joining many clubs, they showed school spirit at sports events and other school activities. Judging from the players on the freshmen teams, the

outlook is very bright for our competition with rival schools next year.

Early in March, the freshman class chose Lynwood Murray as president, Jonathan Gutman as vice president, Diane Nolette as secretary, and Judith Hickey as treasurer of their class. These officers will assume the important duties of collecting dues and making plans for their sophomore dance next year. From the first prize winner in the freshman division of the Science Fair to the star quarterback on the freshman football team, the upcoming sophomore class appears to be one of the most promising ever.

FRESHMAN CLASS

Freshmen proudly accept their awards at the 1965 Science Fair. Left to right: Victoria Steinmetz, first prize; William Fisher, second prize; Nancy Howell, third prize.

Miss Dykas explains why $c^2 = a^2 + b^2$.

Freshman cadets receive their trophies for proficiency in Manual of Arms Competition at the January Drill. Cadets, left to right: Pfc. Socrates Varadotis, first prize; Pfc. Daniel Costa, second prize; Pfc. Ronald Spearin, third prize.

"There will be a meeting . . ."
Familiar words such as these become a refrain. Academics are the theme of our symphony — extracurricular activities are the chorus. As a song grows old, it is the memory of the chorus that often lingers. So the memories of our activities linger . . . the accompanying chorus of our high school years.

ACTIVITIES

JOURNAL STAFF

EDITORS

Seated: Valerie Mattos, co-editor; Miss Marguerite C. Smith, adviser; Roberta Newland, co-editor. Standing: Associate Editors: Ann Murray; John Dean; Marcia Hickey.

Karen and Marcia busily compose quotations.

The *Journal* Staff has spent long hours recording in picture and story the academic, athletic, and social activities of the year. Early in the school year, members of the staff attended a journalism convention at Boston University, where they were shown various styles of year-book lay-outs from which to model the *Journal*.

With deadlines looming ahead, each committee has had to do its share in assuring the final publication as early as possible. Numerous trips to the printer and double-checks of all galley sheets kept the staff on its toes.

In recent years, the *Journal* has won First Place Awards from both Columbia and Boston University.

What is forty-three years old and is still popular with the students?

The answer to this riddle is *The Tauntonian*, THIS award-winning newspaper, first published in 1922. This year the staff distributed six regular issues and a special half-size introductory issue of the paper. *The Tauntonian* was again awarded high ratings at both the New England Area Scholastic Press Association Conference and the Columbia University Scholastic Press Association Conference.

Like every other newspaper, *The Tauntonian* informs and entertains its readers. However, being a school newspaper, it takes on an additional purpose, that is, to teach students the fundamentals of journalism and to help develop good judgment, leadership, co-operation, tact, and reliability in the staff members. Such training begins in Journalism II, where students learn to use clear and concise English and to master journalistic techniques. After a year of apprentice-

ship, students then take on the responsibility of publishing *The Tauntonian*. Though the majority will never continue in the journalistic field, they will certainly gain from the experience a sense of obligation, diplomacy, and co-operation.

Juniors plan their issue of the *Tauntonian*.

Betsy makes final tally on scholarship tag days with Bishop Cassidy Student Council president Nancy Tinkham.

" . . . to create a higher quality of school spirit . . . to encourage wider participation of the students in school activities . . . to improve the general welfare of the school . . . " These have been the goals of this year's Student Council. Through the efforts of the Student Council, THIS's new mascot, Terrible Terrence the Tiger, made his first appearance at the Thanksgiving Day football game. As a service to the student body as well as a means of fund-raising, the Student Council has sold book covers, "tiger tails," and soda at the home basketball games. It was again successful in its second annual candy sale.

The service projects of the Council extend beyond the school itself. This year the Council has assisted the Citizens' Scholarship Foundation in its money-raising drives. Along with their regular school activities, Student Council members and officers have participated in district and state conventions.

The Girls' League is the honorary service organization open to senior girls who have shown outstanding leadership, citizenship, and academic ability. During school hours the girls assist in the main office by delivering the daily notice sheets, and in the Guidance Office by delivering appointment slips and running errands for the counselors. Girls' League members also serve as official hostesses at school social functions.

During the year, the Girls' League sold tickets for the Taunton Citizens' Scholarship Fund Fashion Show. Aside from the regular meetings, the members plan an overnight trip of some kind for late in the year.

"Are you sure that's modern math you're explaining, Steve?"

The Math Club's main purposes are to familiarize the students with the many different types of problems, and to alert the members' minds to the many possible approaches to mathematics. A program committee for each meeting selects intricate problems with which the members wrestle.

Each year the Math Club helps popularize mathematics in the school by sponsoring various contests including the Massachusetts Math Contest and the Geometry Contest for sophomores. It also sponsors money-raising projects for the Organ Fund.

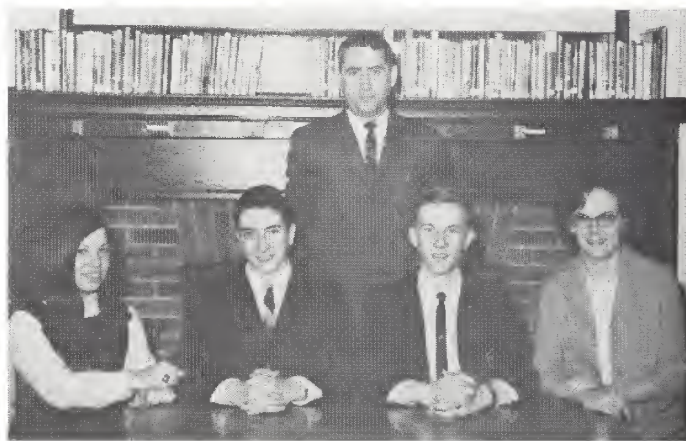

The officers of this year's math club are Steven Adams, president; Valerie Mattos, vice-president; Nancy Lopes, secretary; and Mary Morris, treasurer.

PHY-BI-CHEM

Phy-Bi-Chem visits the Boston Museum of Science.

The biggest change in clubs at Taunton High this year was the official changing of the Science Club to Phy-Bi-Chem. The new name is a combination of the sciences offered at THIS: physics, biology, and chemistry. Along with a new name the club also has a new charter from the Science Clubs of America. With a membership of almost one hundred, the club is one of the largest in the school. Approximately seventy-five of the members took a trip to the Science Museum in Boston in December. Sponsor Oscar DePaola lists these purposes of Phy-Bi-Chem; learning the science of Taunton, taking field trips to show what goes on behind the scenes, giving club members an opportunity to demonstrate their scientific attitude, and enriching the scientific knowledge and interests of the members.

For those interested in foreign languages, Taunton High offers membership in any of the three language clubs.

Members of the Junior Classical League further their interests in the study of Latin and the history of ancient Rome.

La Tertulia is made up of second and third year students who have maintained a passing grade in Spanish. Along with gaining a deeper understanding of the people of the Spanish-speaking world, the members participate in projects during the year to aid the club's scholarship fund.

Le Cerele Français is the French sponsored club in the school. The members become acquainted with the history and culture of France and of the people whose language they are studying.

HISTORY CLUB

Members of History Club look on as Governor Peabody swears Mr. Thomas in as a trustee of S. M. T. I.

Seated: M. Kay, vice-president; N. Lopes, president; J. Jacinto, secretary-treasurer. Standing: Sponsors, Mr. Joseph Gula, Mr. Charles Cook.

Sponsored by Mr. Joseph Gula and Mr. Charles Cook, the History Club is open to juniors and seniors enrolled in a history course, who have maintained a B— average or better.

The members take trips to Lexington and Concord, and the State House in Boston. Every March the club presents a program at Historical Hall. The purpose of the club is to acquaint students with the history of their country and give them an idea of the workings of their government. By participating in programs such as that at Historical Hall, the members gain valuable experience in public speaking.

BAND

September 8, 1964—THS Band passes reviewing stand in front of Convention Hall on Atlantic City's Boardwalk.

"There's a cheer from the stands . . . !"

The Taunton High School Band has always been known for its school spirit and organizational pride, and this year has been no exception. Now in its fortieth year under the excellent direction of Mr. Robert H. Park, the band is one of the finest in southeastern Massachusetts.

A familiar sight to all sports enthusiasts is that of our band marching onto the football field before every game. By playing in the stands and performing on the field at halftime, the band keeps spirits high both on and off the field.

The band is always ready and willing to participate in rallies, civic functions, or parades. This year the band added music and color to both the Memorial Day parade and the Miss Taunton parade, and accompanied accordionist Myron Floren during his performance in Taunton under the auspices of the Taunton Musical Arts Club.

Taunton's "Mr. Music"

BAND

The Swing Band begins an informal rehearsal.

Each year our band receives many invitations to play at surrounding high schools. Unfortunately, time does not permit the band to accept them all. In the past four years the band and swing band have performed several times for the students of Apponequet Regional High School, Norton High School, North Easton Jr. High School, and many others. The band also presents a special concert each year for the Rotary Club.

This year's Spring Concert, which drew a full house as usual, offered selections to suit everyone's taste — from Schubert's *Rosamunde* to Kenny Ball's *Midnight in Moscow*.

The Swing Band, which was organized in 1961, has become a permanent part of the concert band. This group, composed of the best musicians in the band, practices many extra hours under the direction of Mr. Park. The Swing Band offers selections in popular and standard dance music, swing numbers, and dixieland. Its appearance is eagerly anticipated at every concert.

On September 8, 1964, the citizens of Taunton glowed with pride as the Taunton High School Band represented Massachusetts in the Miss America Illuminated Parade on Atlantic City's Boardwalk. The three day trip was the climax of a year of fund raising, during which members of the band, majorettes, flag twirlers, and cheerleaders, combined efforts with the Taunton Jr. Chamber of Commerce to raise over \$8,000. Unfortunately, Mr. Park was unable to make the trip for health reasons. However, the band was very ably directed by Alan Goulet, a 1962 graduate of THIS, and an excellent musician.

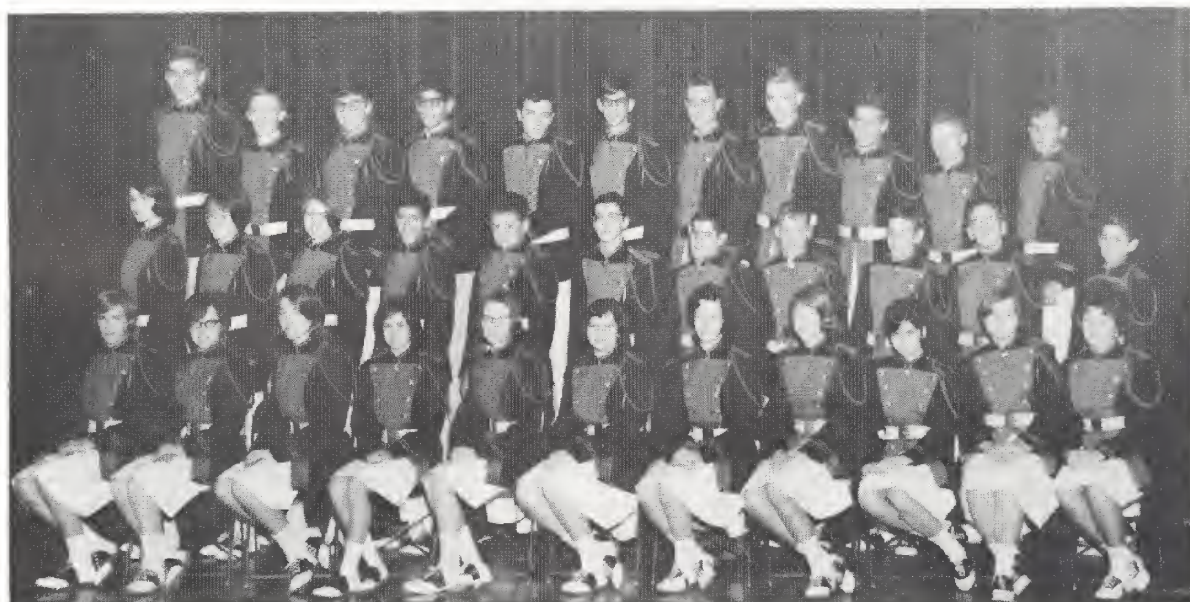

During their three day stay, the students found time to attend splash parties and do some shopping, besides attending the opening night of the Pageant, marching in the illuminated parade, and going on sightseeing tours. All in all, it was a trip to be remembered!

The band adds pep to our rally.

"Sopranos . . . go back three measures."

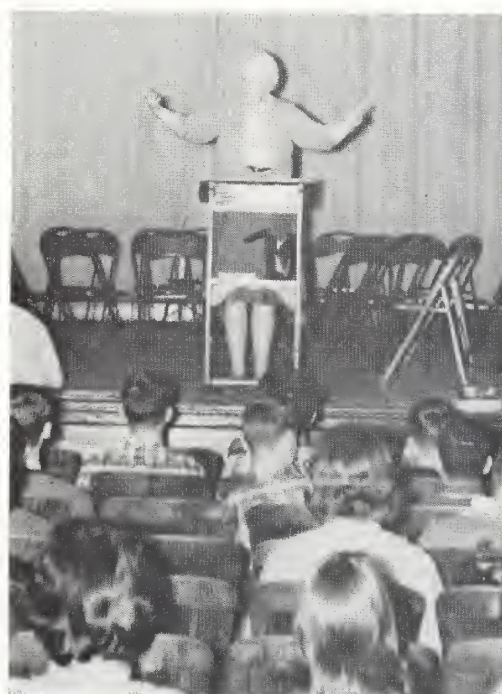

This year the Taunton High School Chorus has again grown in size and musical talent. This organization has not only quantity, but quality as well.

Directed and sponsored by Miss Rosanna Reilly, this group of talented students has brought pleasure to the student body at Christmas by caroling in the corridors and has displayed its talents to the public during its annual spring concert.

The "Silvertones", a select group composed of twenty of the top vocalists, have not only added spirit to the chorus, but have also performed for various civic organizations and charitable institutions.

The chorus also brought honor to Taunton High this year when five of its members — Lilian Medas, Jane Philips, Jean Cushman, Paula Bernadino, and Margaret Gajdasz—were selected for the Southeast District Chorus, which presented its concert in January. Jean Cushman was also selected to participate in the All-State Concert in April.

This year's chorus officers are Jean Cushman, president; L. Steven Adams, treasurer; and Lilian Medas, secretary.

T.H.S. DRAMATIC CLUB PRESENTS

"I'll bid two . . . and four bits," bellows Steve.

Tom contemplates.

"Let people say we're in love."

Jean makes a beautiful bride.

"OKLAHOMA"

On March 30, after months of preparation, the THS Dramatic Club presented Rodger's and Hammerstein's "Oklahoma" to a capacity crowd in the school's auditorium. The lead roles of Laurey (Jean Cushman), Curly (Tim McNulty), Will (Tom Spillane), and Ado Annie (Linda Howell) were performed brilliantly by the actors, many of whom were veterans of last year's production. The supporting roles of Jud (Steve Lazarus), Ali Hakim (Don Brinard), Mr. Carnes (Tom Tanes), and Aunt Eller (Blanche Bilodeau) were also outstanding, and added a great deal to the production. Jean Ladebauche also did an excellent job handling the choreography.

The costumes were made by club members under the direction of Sue Levesque, and the scenery and props were designed, constructed, and assembled by Judi Taylor and her stage crew.

Now that "Oklahoma" is over, the club members are already looking forward to next year's production.

Blanche as "Aunt Eller" consoles Jean.

The newly organized Ski Club is composed of approximately fifty-four members, both novice and amateur. Aside from having the opportunity to participate in any of the club-sponsored ski trips, the club members are also entitled to membership in the United States Eastern Amateur Ski Association, which entitles them to a free ski lesson, ski magazines, a ski patch for their parkas, and a decal for their cars. Trips are planned for Mt. Stratton, Mt. Snow, Haystack Mt., and Hogback Mt. in Vermont, and Wildcat Mt. in New Hampshire.

"Have you made a poster yet?" "Get your tiger tails!" "Are you going to the game?" "Pompadillies, anyone?"

Marsha Baron led the Pep Squad on to victory this year by recruiting new members, and by augmenting the enthusiasm of the veteran cheerers. Marsha worked hard to arouse school spirit, and everyone agrees that she was very successful in her energetic campaign. The pep rallies were the biggest and the loudest ever. Spirit was in the air. Spirit was everywhere. Loyal fans flocked to the games. They cheered, clapped, sighed, sang, and stood by our teams, in victory and defeat.

Marsha revealed a hidden talent this year—she's a great saleswoman. Pompadillies and tiger tails were the rage of THIS, and sold like hot cakes. Members of the Pep Squad, we salute you.

FLAG TWIRLERS

FLAGTWIRLERS

"We are from Taunton High School, and no one could be prouder, and if you don't believe us, we'll yell it all the louder!" This cheer well expresses the sentiments of the Taunton High flag twirlers, majorettes, and cheerleaders. All year long, they put their energy and school spirit to the test—marching with the band, cheering at the games, and using their ingenuity to organize enjoyable pep rallies for the student body.

The girls willingly gave up their spare time this summer to attend strenuous practices in preparation for their trip to Atlantic City with the band. They were justly rewarded with bright new uniforms. Let's all give the girls three cheers; they deserve it!

DEBATING CLUB

Left to right: R. McLano, vice-president; M. Goldrick, president; L. Racine, secretary-treasurer.

DEBATING SOCIETY

This year the Taunton High School debating team entered the Narragansett Interscholastic Debating League. Despite its being a first experience for most of the team, they scored quite well in competition, winning half of their debates. The sophomores gained a great deal of experience, and this will stand them in good stead for the future. The affirmative members of this year's team were Francis Ludovina and Glenn Morrison; members on the negative side were Martha Goldrick and Paul Osenkowski.

HOME ECONOMICS CLUB

The Home Economics Club broadens the interests of its members in the art of home-making and supplements the work offered in required courses. The club has approximately sixty members and meets after school on the second Tuesday of each month. The high spot of this year will be a trip to the Museum of Fine Arts in March or April. Other meetings include a Christmas party, bowling, a tour of the Gazette plant, and a picnic in May or June.

"Company . . . forward, MARCH!"

Any Monday, Wednesday, or Friday, visitors to the State Armory on Pleasant Street will find one of our three companies of cadets training for an upcoming Prize Drill. Now in its 79th year, the Cadet Corps, under the instruction of Lt. Col. James T. Thomas, provides military training and discipline which will be of great value when the time comes for the fulfillment of military obligation.

This year the Corps participated in two parades — the Miss Taunton Parade and the Memorial Day Parade — and sponsored, as usual, its semi-annual Prize Drills and Balls, which have always been highlights of the school social calendar.

TENNIS CLUB

Open to all students interested in the sport of tennis, the Tennis Club is sponsored by Mr. Paul Fraga. The members keep themselves in good physical condition while perfecting their skills with a racquet. The officers of this year's club include: president, David LaPlante; secretary, Mary Courcy; and treasurer, Margaret Gajdasz.

AUDIO-VISUAL

The members of the Audio-Visual Club combine service with pleasure. At monthly meetings they pursue their common interests in photography. Under the watchful eye of sponsor Francis Roche, the members manage the school's lighting equipment. This year's officers are: president, Johnnie Morris; vice-president, Edward Menice; secretary, Laura Ferriera; treasurer, Ronald Hudson; and auditors, Sandra Mendonca and Marie Lopes.

If sheer determination and spirit were enough to win ball games, then the THIS squad should have been undefeated in 1964. Sparked not only by their new head coach Mr. George Hemond, but also by their new "Tiger" nickname, our boys put forth their very best for Taunton High. Lucky breaks have a great deal to do with football, however, which partially explains Taunton's 2-5-2 record.

Led by the two "Als"—Co-captains Sandberg and Rabouin—the Tigers worked hard to fill the spots vacated by last year's graduates. The seniors on this year's squad—Bob Pelletier, Dave Potter, Joe Riendeau, Dick Kulpa, Joe Arruda, Wally Stratton, and Dave Poirier—played consistently and added the most support to the team effort. Juniors Mike DelSolio, Tony Bernardo, Rich Barron, and Bruce Cornell also gave the team added strength.

Driven by determination and reborn enthusiasm, Taunton High's basketball Tigers gained a 5th place in the Bristol County League with a record of 9 wins and 7 defeats.

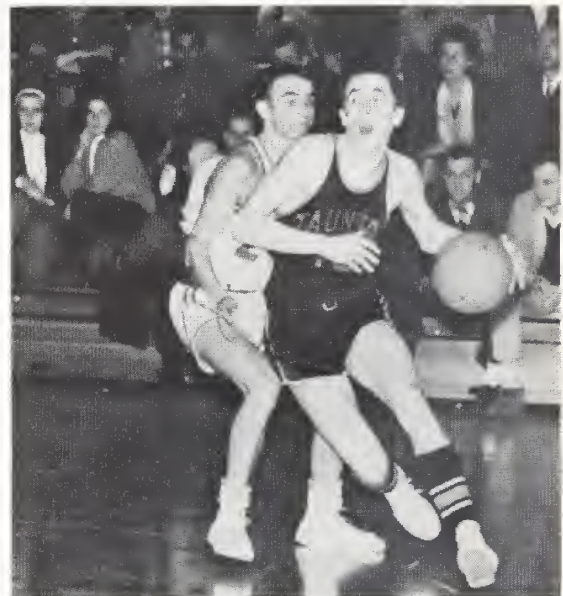

The teamwork which is so highly stressed by Coach Robert Daly brought the Tigers a victory over Bishop Feehan in their first game of the year.

All was not the sweetness of victory, however. There were nights when the team felt the heartbreak of close defeat. Against the Hill-toppers of Durfee, the Tigers were overwhelmed by the accuracy of the Fall River foul shooters.

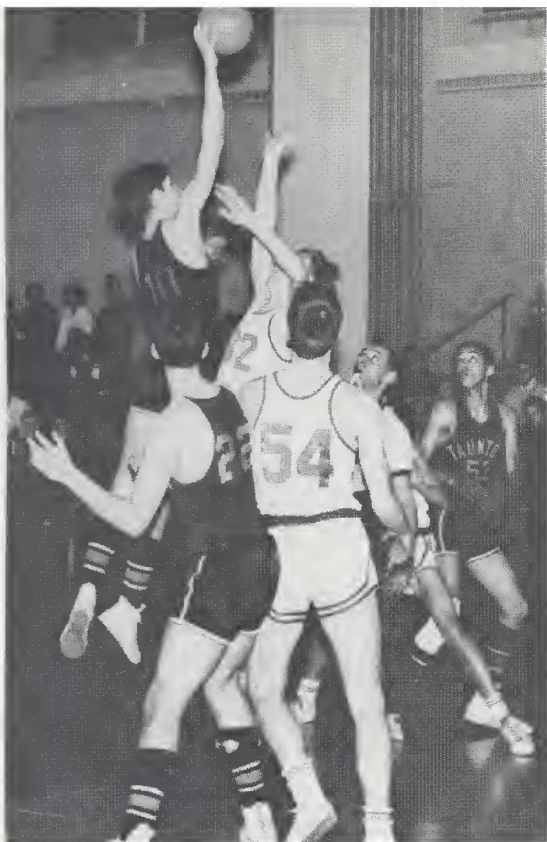

High-scoring John Medas led the Taunton pack with 319 points. Co-captain Bill Miller and senior Richie Rogers added 275 and 251 points respectively.

The Tiger defense owed a great deal to the ability of Al Avellar and Ron Borges.

With the J.V.'s high scorer, Mike Carty, (116 points) probably moving up into a permanent varsity berth next year, and the loss of only two seniors, Coach Daly sees prospects of a title-contending team of Tigers next season.

While one game doesn't make a season, it could very easily be an indication of future performances. In their first encounter of the season, the Tigers capitalized on their good hitting to defeat a strong Bishop Feehan team by a 3-1 score. Junior hurler Art Kostka was outstanding in his first outing, allowing only two hits while fanning ten Spartans.

Coach Mike George seems to feel that, although Durfee is favored to win the Bristol County Crown, Taunton has a good chance to come out on top. Co-Captains Ron Dutra and Wayne Perry are also optimistic, and realize that the outcome will depend mainly on the support of such experienced players as Joe Arruda, Mike DelSolio, Bruce Cornell, and Jim Hamilton. Good luck to our Tigers!

Levesque W. Perry; D. Reilly; A. Jill; C. Lawson; S. Ridley; D. Bonenfant; W. Waldron. Absent: J. Nunes, co-captain.

TRACK

The track team, coached by Mr. Paul Levesque, is looking forward to a very successful season. Led by veteran trackmen J. Kroll Nunes and Jim Furtado, the boys have been undergoing rigid training and have a very optimistic outlook. This year's team is forecast to be one of the best ever!

CROSS COUNTRY

Taunton High's newest athletes, the cross country team, finished their first season with the admirable record of three wins and four losses. Coached by Mr. Paul Levesque, the team stayed in close contention with most of its opponents. Co-captains Kroll Nunes and Jim Furtado tied for the lead in points scored for the rookie team.

GOLF — TENNIS

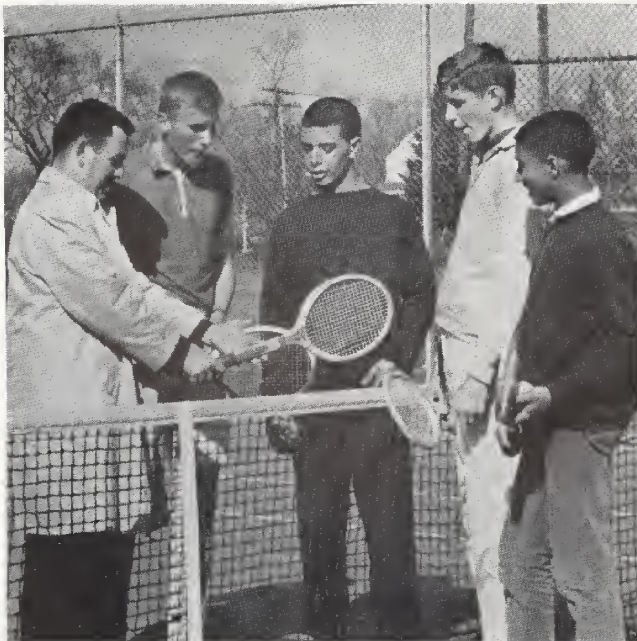

GOLF TEAM

Led by Coach John Kelley and Captain Bob Kearney, the THS golf team is looking forward to a successful 1965 season. During this time they will face the Attleboro, Dufree, Feehan, Coyle, and North Attleboro teams. We are sure that our club will do a tremendous job. Good luck boys!

GOLF TEAM

Row 1, left to right: G. Morrison; S. Lazarus; R. Kearney; M. Gray. Row 2: F. Ludovina; Coach John Kelley; G. Gross.

Tennis coach, Mr. Paul Fraga, gives a few pointers to members of the tennis team, Paul Wray, Walter Stadnisky, David LaPlante and Peter Fernandes.

TENNIS

After last year's disappointing debut, the THS tennis team is looking forward to a brighter season. However, Coach Paul Fraga feels the team still has a long way to go. The team's main support will probably come from Captain David LaPlante and Paul Wray, both veterans.

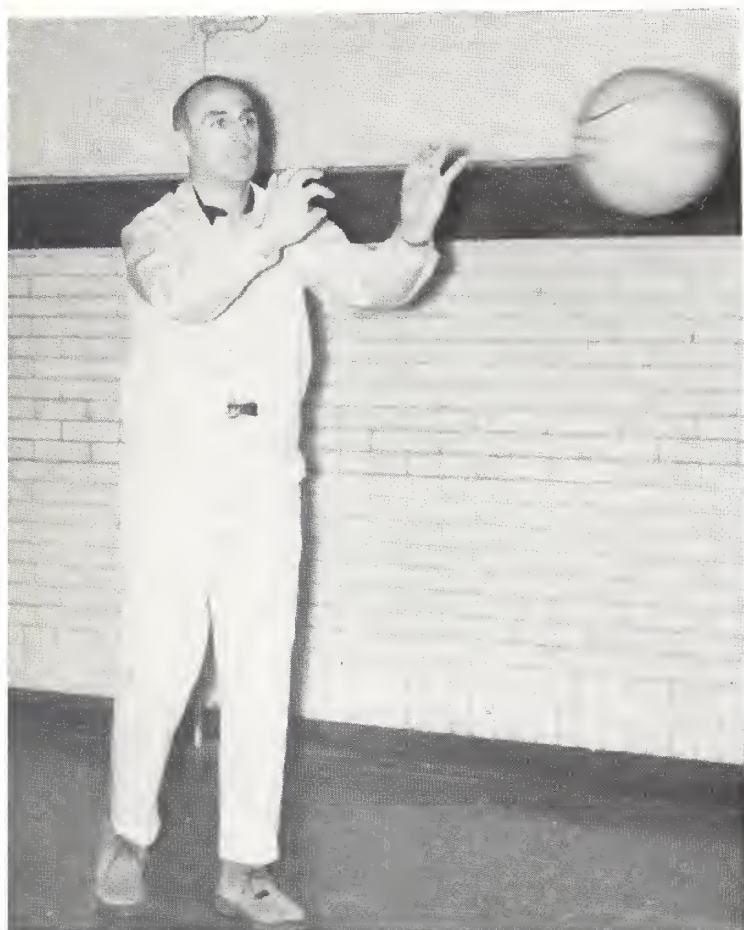

Matches are scheduled against Coyle, Fairhaven, Falmouth, Dartmouth, and several other schools.

INTRAMURALS

INTRAMURAL COUNCIL

Left to right: W. Perry; R. Melano; P. Wray; R. Bcals.

Intramurals, a comparatively new sports program at THS, is designed to enable boys who do not take an active part in varsity athletics to participate in various organized sports. Instructor Augustine "Gus" DiRubio has not only kept the boys on their toes with numerous activities, but has also been their most loyal fan. The program offers such sports as basketball, volleyball, badminton, softball, weight training, swimming, bowling, and indoor baseball.

Intramurals have not only given the boys a chance to compete, but they have helped to boost school spirit and student-teacher relations. Many faculty members participated in the intramural volleyball league, not only beating the students, but also keeping physically fit.

GIRLS' VOLLEYBALL

Row 1, left to right: B. Banks; J. Bonin; E. Cromwell; L. Medas, captain; E. Rhodes; C. Bzdula; C. Machado. Row 2: P. Devereaux; J. Nixon; H. Montrond; Coach Ann Farley; M. Enos; S. Nolette; C. Norton; C. Trend.

Perfect form.

Although sparked by enthusiasm and determination, the girls' volleyball team suffered a losing season, winning two and losing eight. The girls played hard, even when handicapped by slippery floors, short courts, and violations. Some of the outstanding players included Liz Rhodes, Kathy Bzdula, Peggy Enos, Helen Montrond, Edie Cromwell, and Captain Lily Medas.

Coached by Miss Ann Farley, the team spent many hours doing exercises and skill-improving drills. Although their season was unsuccessful, the girls' pep and spirit was definitely a credit to Taunton High.

Miss Farley is looking forward to a successful season next year with the return of eight veterans.

GIRLS' SOFTBALL

Row 1, left to right: A. Lovell; C. Machado; J. Hartwell; E. Rhodes; L. Medas; M. Taylor, captain; S. Flood; S. Lima; B. Banks; C. Cogswell. Row 2: B. Bonin; D.

Sherman; L. Longo; R. Meunier; Coach Ann Farley; P. Frates; J. Nixon; M. Koss; D. Sherman; J. Bonin.

Girls' Softball is a favorite with most of the girls at THS. Last season was a very successful one for the Tigers, with the team finishing in third place due to a three-way tie for first place in the league.

This year, the team, directed by Coach Ann Farley and led by Captain Marcia Taylor, is anticipating an even more successful season with ten players returning. Pitching for the team will be Sharon Lima and Sue Flood while strong hitting from Janet Hartwell, Pat Frates, Lily Medas and Mary Koss promise to make it an exciting season.

Participating in the Bristol County Inter-Scholastic Girls' League, the team has eight seven-inning games scheduled against Dartmouth, Westport, Dighton-Rehoboth, Apponequet, Casco, New Bedford, Somerset, and Durfee.

Other team members include Juniors, Liz Rhodes, Beverly Banks, and Anna Lovell; Sophomores, Rita Meunier, Charlene Cogswell, Donna and Diane Sherman; and Freshmen, Jane Nixon, Luanne Longo, and Carol Machado. Managers are Barbara and Jean Bonin.

Strike 'em out, Sharon!

"Oh, you beautiful ball, you great big beautiful ball!"

Helen and Liz battle for a tap in an inter-squad game.

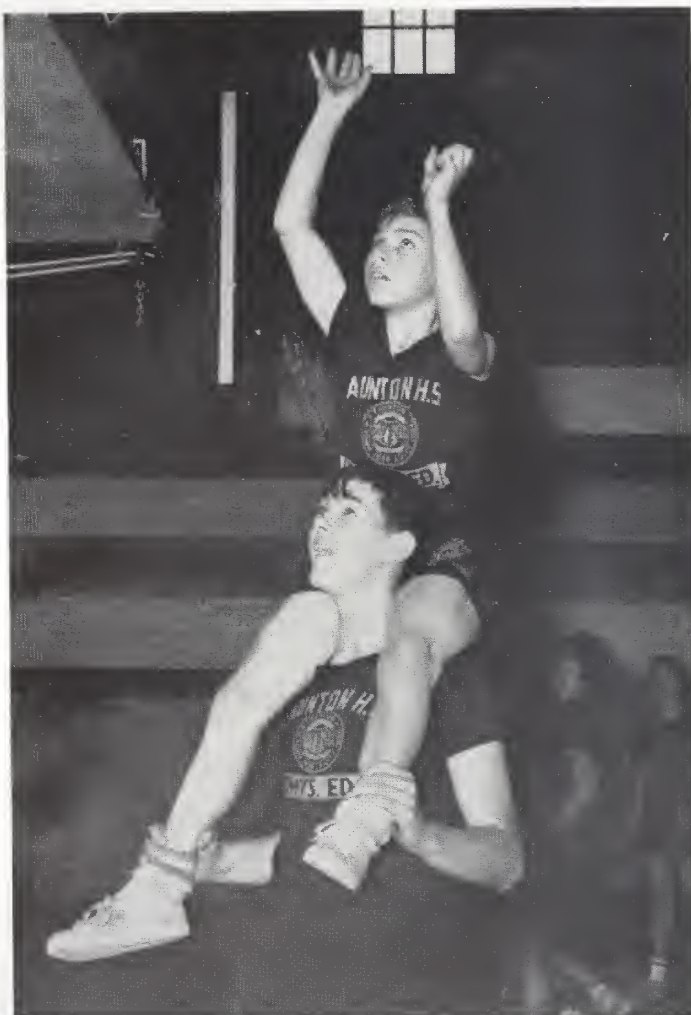

Brian Cornell keeps an eye on the pitcher as he takes a lead off first.

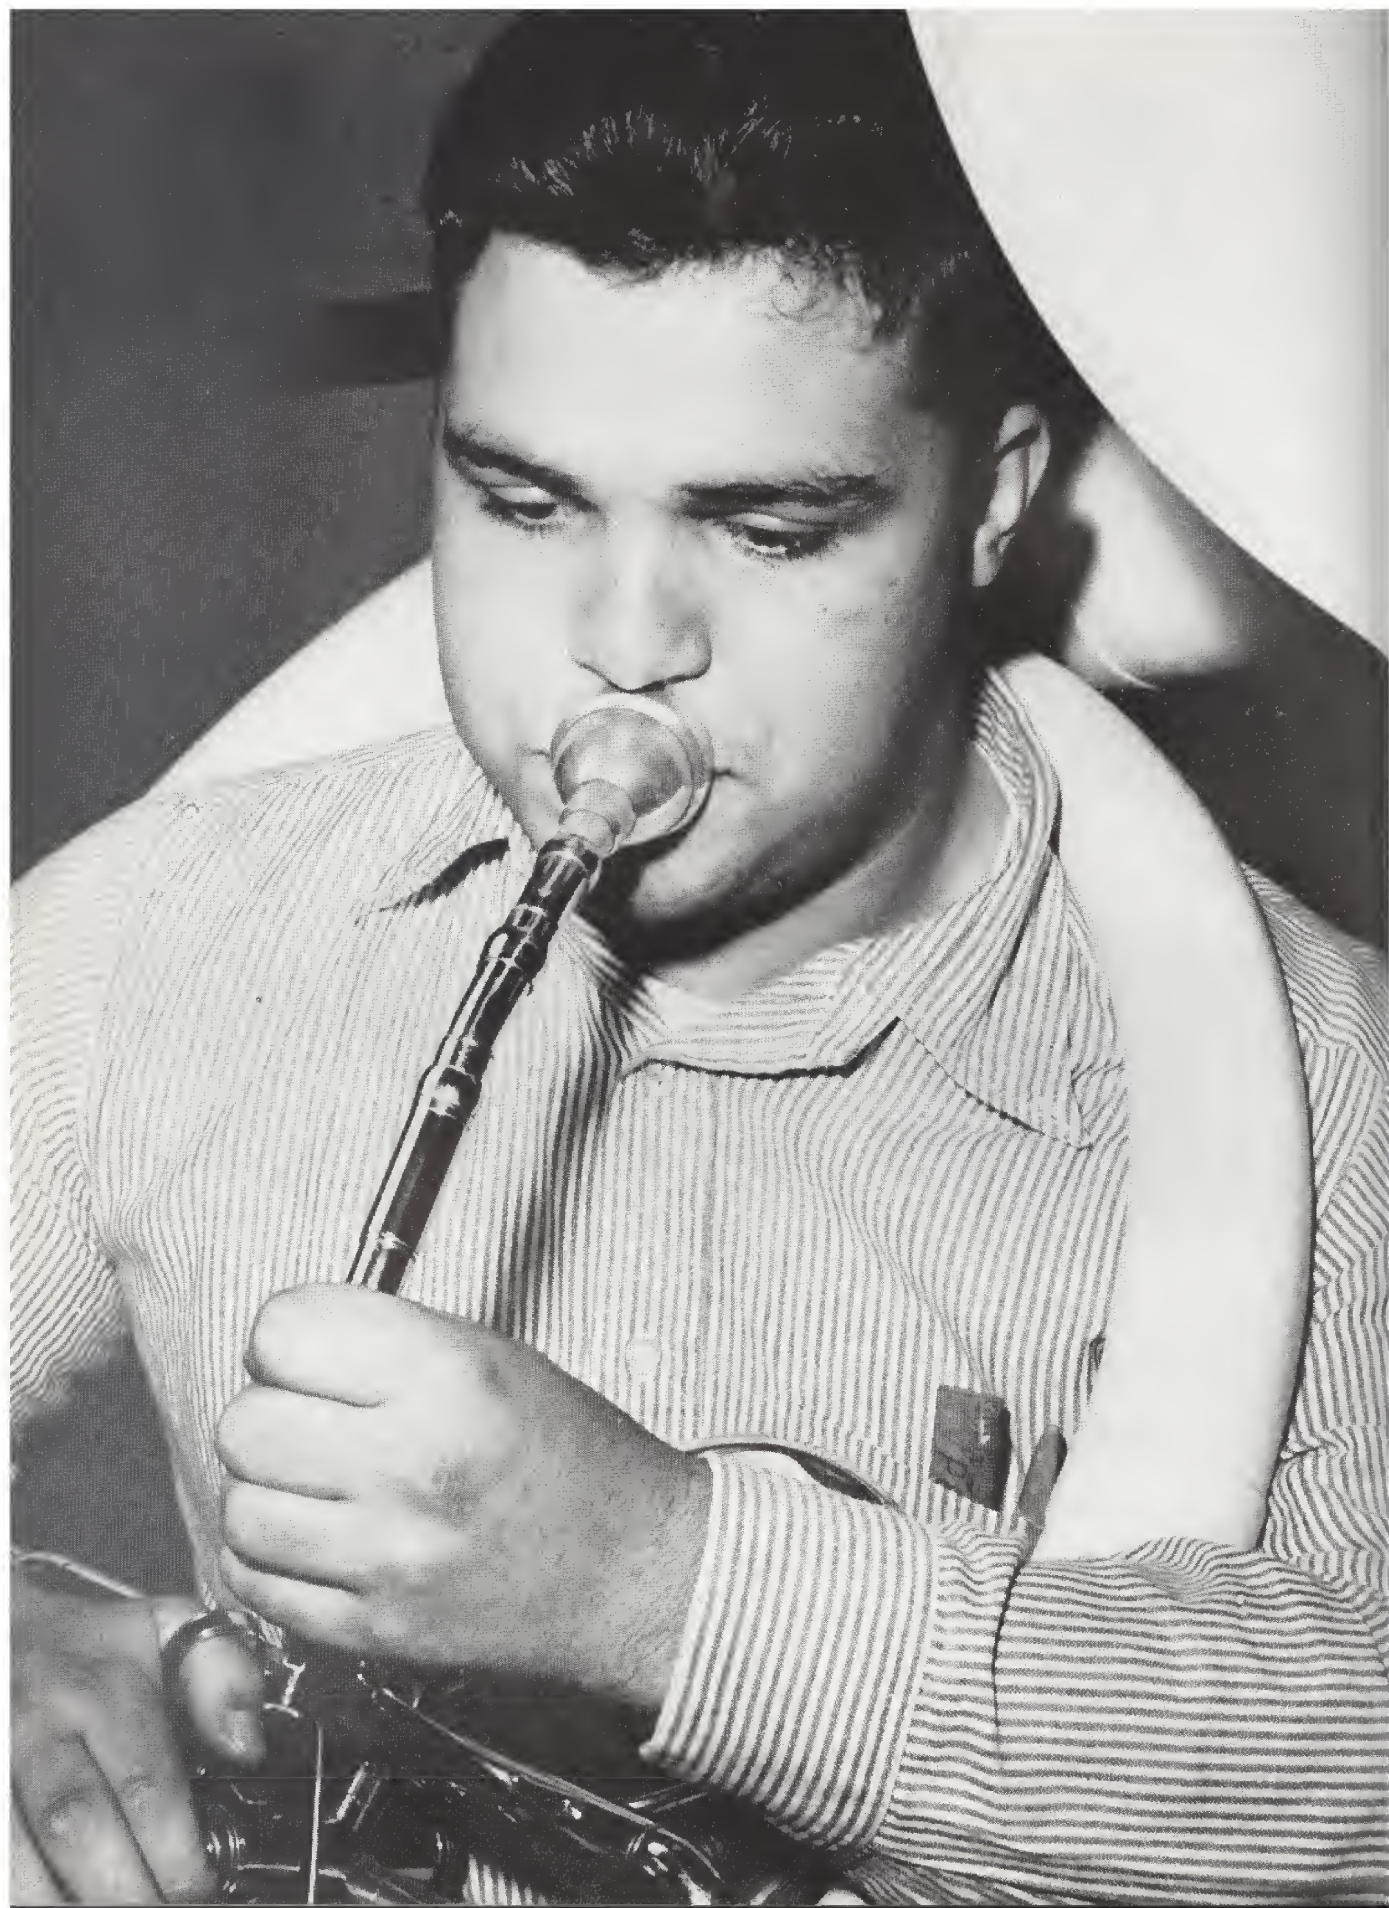

"What goes up must come down."

David LaPlante makes the score 30-love with a forehand drive.

MR. BAACKE, MR. IRONS, AND MR. CHADINHA, for their competent direction which aided the editing of our yearbook tremendously.

MR. CALVEY AND MR. MCGUIRK, for all the photos they so willingly allowed us to use.

BICKFORD ENGRAVING AND ELECTROTYPE COMPANY, for their co-operation during the past year.

MR. AVAKIAN AND MR. WARREN OF LORING STUDIOS, for their excellent photography and for allowing us the use of their photographic equipment.

"Music, when soft voices die,
Vibrates in the memory."
